

MARTIN LUTHER KING, JR. DAY OF SERVICE

MONDAY, JANUARY 19, 2009

Martin Luther King, Jr. spent his entire life working for justice, equality, and a better future for all Americans, an idea he called the "Beloved Community."

To honor his life and legacy, bring the King Day of Service to your community and help us expand the number of projects that take place across Colorado and the US every year. Connect your service to the life and teachings of Dr. King.

Register a service project or locate a project to participate in by visiting:

www.colorado.gov/gccs.

Forms and toolkits are available online.
